

Maximum character count

✓ Customer Quotes for social post images

To maximize readability and visual impact of customer quotes, we have specified a maximum character count for social post images. This will ensure we maintain the ideal font size for readability.

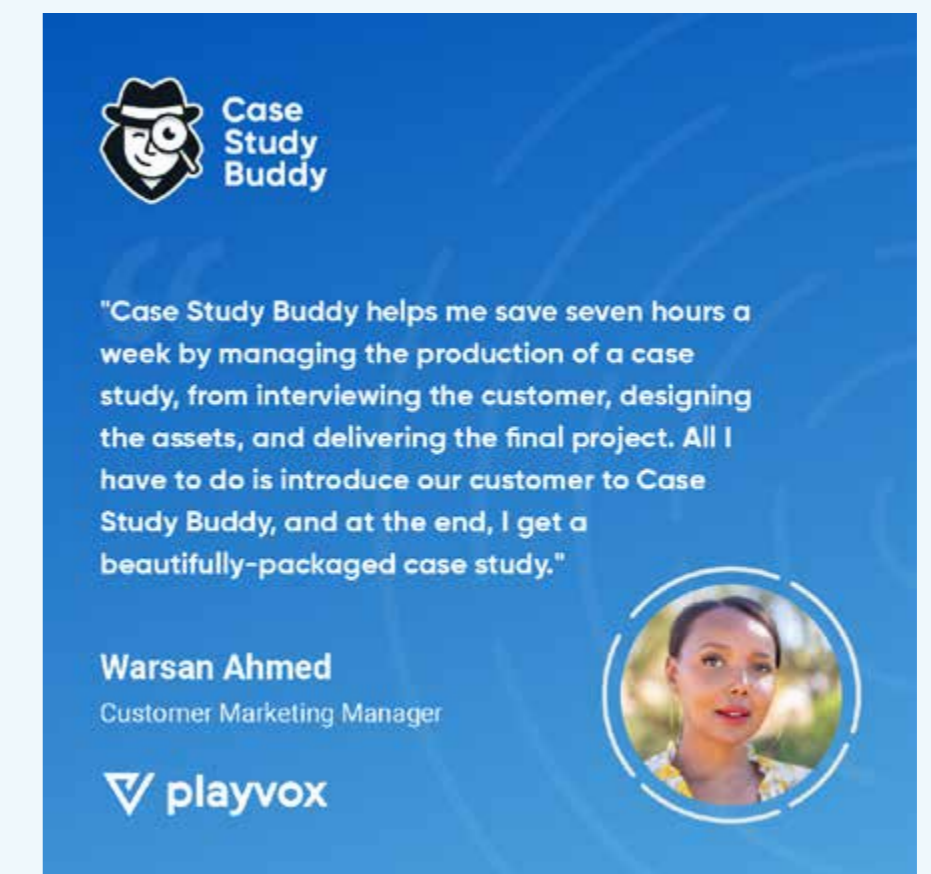

Customer Quote: 80 -150 characters / 10 - 30 words

88 characters / 19 words
Linkedin, Twitter images

236 characters / 43 words - exceeds max.

305 characters / 53 words - exceeds max.
